RIVER INTELLIGENCE. PORT OF LOUISVILLE.

DAILY DEMOCRAT.

TUESDAY, DECEMBER 8, 1868

More Constitution Tinkering. The Radicals in Congress have two The one is to disregard the Constitution ject of railroads. Prima facic, it would has reached us. itse' by smeandments, which, nu ler the gag o 'he "previous question," they can always fore 'hrou h Courses and by c s of 1 lopian of the Thirteen. Island to their management. Am no ment, two ishing slowery, and the Should Progress assume the control bar on the America, and is a heavy over the railroads of the country, there loser by her destruction.

Sales. By the latter more than a hundred thous not of the most intelligent and virtuous dizens of the South are deprived of all political rights and the South are deprived of all political rights and the South are deprived of all political rights and the South are deprived of all political rights and the South are deprived of all political rights and the South are deprived of all political rights and the South are deprived of all political rights and the South are deprived of all political rights and the South are deprived of all political rights and the South are deprived of all political rights and the South are deprived of all political rights and the South are deprived of all political rights and the South are deprived of the south are deprived of the south are deprived of all political rights and the South are deprived of the shows and the should be south as the south are deprived of the

of this, it would still be a less of the city. Nothing has been mills, sewing machines, and reaping as weared of her since the terrible disaster, and as so few of the lady passengers on proving upon the country. Pake, for its take a and the new apportionment of representation in Congress is made. Then those States which exclude negroes from the franchise will lose the number of Representatives to Congress corresponding with the excluded population.

The last amendment will not practically a state of the city. Nothing has been mills, sewing machines, threshing machines, threshing machines, there is no as so few of the lady passengers on proving upon the country. Pake, for its stane, the Baltimore and Ohio road, the search a search and the Pontifical States."

With its own line, and the Central thip, feared to a search a doubt that she which it has leased for twenty years, it Indeed there are also the many base and also the monopoly of all the perished in the contractions of this appalling at Venice, which is really wonderful, the many base and the perished in the contractions of the city. Nothing has been mills, sewing machines, threshing machines, the shing and story of the second of the countries of the city. Not as so few of the lady passengers on provide the state of the countries of the city. The coun

press it, "nationalize surfage, indeed of leaving it to the caprice and prejudice of State Legislatures." The plain English of this is, that negroes are to be unade of this is, that negroes are to be unade inter-State traffic? It certainly amounts inter-State traffic? It certainly amounts of the Lorison of the Lorison of the Lorison of the Constitution, that prohibits America, but escaped without injury. States from levying duties or tolls on inter-State traffic? It certainly amounts to the caprice of the Constitution, that prohibits America, but escaped without injury. The body of an unknown lady was

Congress at the session that commenced c t. New Jersey. Pennsylvania. Dela-the stuties of collecting under the laws will take place to-day. g n'a, Mic igan, Wisconson would alote of e even States would defeat it and does not seem possible that it can rea es. Party dis pline, however, may ind may achieve another trimmph is 'i n to it, as has been so often the

suffrige hr ign at the Union, distal s 1 pass registration laws and and vario

United States has been walked over so often during the last few years, by men military boots, and has been, and is being, so tinkered and patched that soon no one will be able to recognize for the instrument we used to ven-

THE HONDERAS RAILWAY .- In reter-Atlantic and Pacific, it is stated that the government of Honduras in the antumn of 18% raised a loan in London, Paris of 1867 raised a loan in London, Paris and Amsterlam for the construction of the road. This loan, it is asserted, was taken in on day, and is now at a premium. The surveys made by the old Honduras company, verified by a detachment of royal Lagitsh engineers, have again be tested and found to be correct. In addition to this, the "plant" material and men for building the first finy utiles from Puerto Caballos to Santiago are now in Houluras, and the contractors, after a present in spection of the line, have undertaken to finish and equip the road before J no 1 t. 1871. It

Paris correspondent of a London paper, Offenlach is in luck. The story is somewhat improbable. Here it is: "Offen a Marin observed an intimation bach yester lay received an intimation of the long. These "proofs" from a half to make the sum he accordingly, enclosed to the fortunate composer of 20,000, which little sum he accordingly enclosed to the fortunate composer of the first of parts here with the sum he accordingly enclosed to the fortunate composer of the first gentlas in illustrating the proofs."

I all the sum he accordingly enclosed to the fortunate composer of the first sheeper of Spanish Lancasy comits.

A very cruel practice prevails at the stockyards of Fast Bullado, says a the stockyards of Fast Bullado, says at the stockyards of fast Bullado

Now that we have become a consoli-

dated nation, politically, it is meet that we should hasten to become so commercially. Under the constitution, the regulation not only of our international, but THE LOST AND SAVED. inter-State commerce, belongs to the The one is to disregard the Constitution appear that Congressional jurisdiction. We are reliably informed that Mrs. N. W. Win ander the constitution does not include Harriet Waring, an estimable widow railreads. Parkets a real whole with larve of New Albany, who was resulted in the military resonance of the constitution does not include Harriet Waring, an estimable widow of the respective Boards of the respective Boar within this jurisdiction, but where roads ill-fated steamers. The other is to change the Constitution like the Baltimore and Dhio, the Ohio Among the passengers on the United St.

rays forc 'hrough Congress, and by it would seem certain that it would come Scabrook, and Messrs. John Kelly and Mic errors of party discipline, esserce clearly within the constitutional pre- John Robinson. The two latter were at Legisla' 10s 1) confirm, as it, the rogatives of Congress in pass I we re-lor-keepers on the America and were

onding with the excluded population. Washington westward as far as Colum-calamity. the basis of representation being popula-bus, and can charge exactly what they Mrs. Scabrook was a model on and not coters. Thus, supposing Idease-ium as many or as few trains as with a soul endowed with all the Ch. the negre population of Kentucky to be they please. In fact, are autocratic, extian graces and virtues. For nearly half 250,000, and the ratio of representation be fixed at 100,000, the exclusion of the 250,000 negroes would lose to the State two Representatives in 1 ongress. We reight has to pay a certain duty to the aid of the poor and the amelioration of district schools, when the structure of the state two Representatives in 1 ongress. We reight has to pay a certain duty to the aid of the poor and the amelioration of district schools, when the structure of t

pretend to no accuracy in these figures, and give them merely to illustrate our meaning.

Again, take the Camdeu and Amboy road through New Jersey. It is a perfect monopoly, the charter binding the admission of negroes to the polls, is one that will soon press upon the people of Kentucky for decision, and we hope to see the discussion of it in he journals of the State.

In the meaning Radicalism, not content with the triumphs already a hieved over the States, proposes fresh aggressions upon their rights, through a new tinkering of New York. Pennsylvania and the states and nost honored members of the amelioration of silk, cloth oddest and most honored members of the manifolding the oldest and most honored members of the most honored members of the most honored members of the manifolding the oldest and most honored members of the manifolding the oldest and most honored members of the manifolding the oldest and most honored members of the manifolding the oldest and most honored members of the manifolding the oldest and most honored members of the manifolding the oldest and most honored members of the cities of the mainland. It is a perfect monopoly, the charter binding the oldest and most honored members of the cities of the mainland. It is a perfect monopoly, the charter binding the oldest and most honored members of the most honored members of the mainland. It is a perfect monopoly, the charter binding the oldest and most honored members of the manifolding the oldest and most honored members of the mainland. It is a perfect monopoly, the charter binding the oldest and most honored members of the deepest grief in her church, and the reduct have alwested.

Wesley Chapel Church, and her death from natural causes would have eaused the deepest grief in her church and th tent with the triumphs already a blevel over the States, proposers fresh aggressions upon their rights, through a new tinkering of the Constitution, which will, as they express it, "nationalize suffrage, instead of leaving it to the constitution and pression of the Constitution of New York, Pennsylvania and Kentucky who may have to pass through New Jersey. Is not this a virtual violation of Mr. C., and was a passenger on the leaving it to the constitution of the Constitution of New York, Pennsylvania and Coulbertson, of Cincinnati, which work done. One is mentioned, when we have to pass through the constitution of Mr. C., and was a passenger on the leaving it to the constitution of the Constitution of New York, Pennsylvania and Coulbertson, of Cincinnati, which work done. One is mentioned, when the course of the Constitution of the western office.
